

We are an architectural interior studio specializing in textiles based in Praça das Flores, Lisbon.

We are searching for a graphic design intern to work with us on a student job opportunity.

The ideal candidate is comfortable working with InDesign. Photoshop skills are a plus.

This position is initially for 3 months with the possibility of permanence after this experimental period. It's a paid position according to European trainee standards.

Don't miss an opportunity to work in a creative atmosphere with a multicultural small team and to be able to practice your skills while learning new ones.

Please send your cv and your presentation letter to [info@florestextilestudio.com](mailto:info@florestextilestudio.com).

We are looking forward to meeting you.
