

INTERNSHIP OFFER

VALENTIN BAYOUD
Architecture & Design

If visual aesthetics matter to you, let's meet

Architecture and design studio based in Paris,
working on atmosphere and memory.

Projects are developed through precise 2D drawings
and a strong focus on 3D rendering as a design process.

Our tools are Rhino3D, V-Ray and Adobe Suite.

Paid internship. Flexible hours.
Paid time off included.

How to apply

Send your CV and portfolio.
No cover letter.

In your email, specify your earliest start date
and the expected duration.
